### SAD ACCIDENTAL KILLING.

A peculiarly sad accident resulted  
in death, near Millville, on Monday  
night.

It seems that two boys (cousins  
and devoted chums) by the names of  
Millard Shaw and Leonard Whitting-  
ton were hunting rabbits on the side  
of a hill. They saw a rabbit go into  
a bunch of bushes and grass. Young  
Whittington ran to the upper side of  
the thicket to watch for the game,  
while young Shaw remained below.  
In the dusk Whittington thought he  
saw his game and fired. He was al-  
most paralyzed to the ground. He went  
at once to his chum's assistance and  
seeing that the charge of shot had  
entered Shaw's chest and face, at  
once summoned aid. Shaw was taken  
to his home, but all that Dr. Dorsey  
could do did not prevent the fatal  
outcome, and he died that night.

The boys were respectively of the  
age of ten and fifteen years—Young  
Whittington being the elder.

Whittington is almost crazed by  
the accident, as he and Shaw were  
inseparable companions.

Shaw was the son of Mr. Sam.  
Shaw and Whittington was the son  
of Mr. Alonzo Whittington.

The funeral of Shaw was held on  
Tuesday afternoon and the remains  
were buried in the family burying  
ground of his grandfather, Mr. Joshua  
R. Shaw.

### A HARD DEBT TO PAY.

"I owe a debt of gratitude that can  
never be paid off," writes G. S. Clark,  
of Westfield, Iowa, "for my rescue  
from death, by Dr. King's New Dis-  
covery. Both lungs were so seriously  
affected that death seemed imminent,  
when I commenced taking New Dis-  
covery. The ominous dry, hacking  
cough quit before the first bottle was  
used, and two more bottles made a  
complete cure." Nothing has ever  
equaled New Discovery for coughs,  
colds and all throat and lung com-  
plaints. Guaranteed by all druggists.  
50 cents and \$1. Trial bottle free.  
For sale by all druggists.

### BUYS LIVELY STABLE.

Mr. James W. Shackelford, of this  
county, has purchased from Mr. W.  
F. Hearne his lively and sale stable,  
on Ann street, and has taken posses-  
sion of the same. The price is a  
private one.

### STATE ELECTION COMMISSION TO MEET.

Mr. J. Morgan Chinn, the President  
of the State Board of Election Com-  
missioners, has called a meeting of  
that body for Monday next, November  
18, for the purpose of canvassing  
and certifying the result of the State  
election.

If the returns from all the coun-  
ties are not all in, and adjournment  
can be taken until the week follow-  
ing.

Judge D. Gray Falconer, of Lexing-  
ton, and Judge C. R. McDowell, of  
Danville, are the other members of  
the board.

### METHODIST BAZAAR.

Don't forget that the good sisters  
of the Methodist Church will give  
their bazaar and supper, which will  
be held at the Courthouse, on the  
evening of Friday, December 6th.

Lots of nice things will be for  
sale and then a delicious supper, all  
at reasonable prices. Santa Clause  
supplies will be on hand also.

### PRISONERS ESCAPE BUT ARE RE- CAPTURED.

Two prisoners in the county jail, by  
the names of Thomas Grant and Price  
Stewart, took french leave on Friday  
evening, just after our paper went to  
press.

Stewart was under 11 years sen-  
tence for killing J. F. Daley, but his  
case had been appealed. Grant was  
charged with forgery.

The men, strange to say, went to  
the old neighborhood in which Stew-  
art had been raised, and from thence  
to Versailles.

Shortly after their arrival, they  
were recognized and Sheriff Winn and  
his deputies took them in charge.  
Saturday morning, and Jailer Bridges  
notified.

On Saturday afternoon they were  
brought here over the Interurban  
Line, by Deputy McDonald and lodged  
in cells from which they will not  
soon be released.

It is thought the men had help from  
the outside in, unlocking the iron  
door, but, of course, it is not known  
how they got out.

### SESSION OF QUARTERLY COURT COURT HELD.

Judge Polsgrove held a session of  
the Quarterly Court during several  
days of this week, and many cases  
of prescription known to druggists  
everywhere as Dr. Shoop's Restora-  
tive. The Restorative is prepared ex-  
pressly for these weak inside nerves.  
Strengthen these nerves, build them  
up with Dr. Shoop's Restorative—  
tablets or liquid—and see how quickly  
help will come. Free sample test  
sent on request by Dr. Shoop, Racine,  
Wis. Your health is surely worth  
this simple test. Capital Pharmacy.

The finest coffee substitute ever  
made has recently been produced by  
Dr. Shoop, of Racine, Wis. You don't  
have to boil it twenty or thirty min-  
utes. "Made in a minute," says the  
doctor. "Healita Coffee" is really the  
closest coffee imitation ever yet pro-  
duced. Coffee imitation is made from  
pure roasted cereals or grains, with  
malt, nuts, etc. Really it would fool  
an expert—were he to unknowingly  
drink it for coffee. Capital Pharma-  
cy.

### NOVELTY STORE.

The new novelty five and ten cent  
store, which will be opened in the  
store-room formerly occupied by the  
S. D. Johnson Co., on Main street,  
one day next week, by Messrs. Kagin  
& Bro., promises to be one of the  
largest establishments of the kind  
ever started in the Capital City. Al-  
ready many hundreds cases of goods  
have been received and are now being  
opened up and placed in position on  
the shelves. The well known re-  
liability of the Messrs Kagin gives  
ample guarantee that the public will  
get a square deal at the new place.

### COUNTRY PLACE BURNS.

The residence known as the "Vog-  
ler Place," just above the city, on  
the river (and lately occupied by  
Deputy U. S. Marshal N. I. McDaniel,  
but since occupied by Messrs. W. P.  
(Bud) Smith Co., contractors, on the  
Highland Railway) was burned to  
the ground on Sunday afternoon about  
two o'clock.

The loss was about \$2,000. We do  
not know whether it was insured or  
not.

Dr. Weaver's Treatment.  
Syrup purifies the blood, cures best skin eruptions.

When the stomach, heart or kid-  
neys get weak, then these organs al-  
ways fail. Don't drug the stomach,  
nor stimulate the heart or kidneys.  
That is simply a makeshift. Get a  
prescription known to druggists  
everywhere as Dr. Shoop's Restora-  
tive. The Restorative is prepared ex-  
pressly for these weak inside nerves.  
Strengthen these nerves, build them  
up with Dr. Shoop's Restorative—  
tablets or liquid—and see how quickly  
help will come. Free sample test

this simple test. Capital Pharmacy.

### FORTY HOURS DEVOTIONS.

Two Passionist Fathers assisted  
Father T. S. Major and Father O'Neal  
in the celebration of forty hours de-  
votions at the Church of the Good  
Shepherd from Wednesday morning  
at 9 o'clock until Friday morning.  
Large congregations attended these  
services.

as is known has not been attempted  
before. It is elementary and practi-  
cal, like much of the correspondence  
work given by the University, and  
designed to be helpful to the men  
and women who seek a better educa-  
tion but can not go to school.

### ACCIDENT ON INTERURBAN.

Mr. George Smedley, who lives near  
Port Spring, in Woodford county,  
jumped from a ballast car of the inter-  
urban line, near that place on Sat-  
urday, slipped and fell, his foot ex-  
tending under the car. The member  
was crushed. The young man was  
in employ of the road. He was ta-  
ken to the hospital in Lexington,  
where his foot was amputated.

In accordance with the order calling a special term of the Scott Circuit Court for the trial of Hon. Caleb Powers, charged with the murder of Senator Goebel, that court met at Georgetown, on Monday, with Special Judge James S. Morris presiding.

A number of preliminary motions were acted upon and, these being disposed of, Judge Morris ordered the sheriff to summon 200 jurors from Harrison county and especially to select him not to make any discrimination in summoning these jurors, and, at the same time, that if he found such disgraceful illegal conduct he would at once discharge the panel of his own motion.

What a contrast with the actions of the judges who have presided here before.

A fair trial is all that Powers asks. We earnestly hope that it may be accorded, and these travesties upon justice cease.

### DOUBLE SORROW.

It is with the profoundest sorrow that we chronicle the death of little Miss Martha Severance, the six year old daughter of Rev. Jos. M. Severance and wife, which occurred on Wednesday afternoon.

This is a double sorrow, as only last week Mary Scott, the youngest daughter, died from the same dread disease, membranous croup, after only a few hours illness.

The sympathy of every one in this community goes out to these doubly bereft parents.

May the consolations of that gospel which he so ably presents be vouchsafed to Mr. Severance and his good wife.

### LEFT FOR MORE PROFITABLE LOCATION.

A familiar figure has gone from the corner of Main and St. Clair streets. The old pop corn man has located at Mt. Vernon, Ind., and left for his new home Monday afternoon.

A Boston schoolboy was tall,  
weak and sickly.

His arms were soft and flabby.  
He didn't have a strong muscle in his  
entire body.

The physician who had attended  
the family for thirty years prescribed  
*Scott's Emulsion*.

Teddy has just hit with  
the big stick. In the center, that tall  
and slender figure, with arm extended  
above the head, with the hands placed  
on the, big end of the arm, is the  
president of the Anti-Saloon League,  
pronouncing the benediction over the  
obsequies of the late temperance  
amalgamation with the Tyler platform.  
That figure kissing the toe of the  
figure is the Brewers Association  
praying for the union of the whisky  
and beer element with the temperance  
voters in the country. Behind them  
is the "machine," as chief mourner.  
The wheel you see is the wheel of ill-  
fortune, attached to the car of politi-  
cal judgment, that has ground them  
just. Next you see a bucking  
that has thrown its rider,  
his effort to straddle the  
platform of the reverend  
and Mr. Tyler. The exquisite  
of art, at the extreme west end,  
two Indians digging "seng" is in-  
tended to represent "progress," and  
illustrates how the "machine," like  
the Indian, is passing away, and with  
it the coveted seat in the United  
States Senate, by the Governor, who  
was made the recipient of honors far  
above his expectations or deserts by  
the grace of an assassin's bullet. May  
we never look upon his like again.  
"Tempora mutantur, et nos mutantur  
in illis." All of this beautiful work of  
art only cost the pittance of forty  
thousand dollars, executed by a "na-  
tional" sculptor, and his kindergarten  
class, which the two local stone  
cutters, sculptors and contractors of  
Frankfort could have executed as well  
or better for at the most less than  
one-fourth of that amount.

### ELKS MINSTRELS.

Splendid Entertainments Witnessed  
By Big Crowds.

The two entertainments given by  
Frankfort Lodge, No. 530, B. P. O.  
Elks, on Tuesday and Wednesday  
evenings, at the Capital Opera House,  
were first-class in all respects.  
Record breaking crowds were present  
at each appearance.

The singing by the chorus and by  
special members was something rarely  
ever excelled by local talent any-  
where, and even professionals would  
do to look well to their laurels.

The acrobatic work by the team  
was a surprise to every one, and  
proved the value of the Y. M. C. A.  
gymnasium and the Elks Bowling  
Rooms.

Prof. Wm. R. Pattie, who arranged  
and directed the exhibitions, proved  
himself a decided success, demon-  
strating his ability as a musical di-  
rector.

We are glad to say that the affair  
has proved not only a fine success as  
an entertainment, but a decided finan-  
cial success.

### REPAIRS TO BENSON BRIDGE.

Some needed repairs are in con-  
templation for the bridge across Ben-  
son creek, and lumber for this pur-  
pose will be delivered and work be-  
gun on the repairs within a few days.  
This bridge, while a safe one, will  
bear looking after, and the authorities  
do right to give it the closest atten-  
tion. The people of both sides of the  
river are hoping for the day when an  
entirely new structure will connect  
Frankfort proper with the West Side,  
crossing the Kentucky river at a  
point somewhere below Broadway.  
The county and city authorities will  
be called on to make this improve-  
ment at no distant day by the people  
in such terms that they can not af-  
ford but to heed the call.

## The Knock-out Blow.

The blow which knocked out Corbett was a revelation to the prize fighters. From the earliest days of the ring the knock-out blow was aimed for the jaw, the temple or the jugular vein. Stomach punches were thrown in to worry and weary the fighter, but if a scientific man and told one of the old fighters that the most vulnerable spot was the region of the stomach, he'd have laughed at him for an ignoramus. Dr. Pierce is bringing hope to the public a startling fact; that the stomach is the most vulnerable organ out of the prize ring as well as in it. We protect our heads, throats, feet and lungs, but the stomach is utterly indifferent to, until disease finds the solar plexus and knocks us out. Make your stomach sound and strong by Dr. Pierce's Golden Medical Discovery.

The "Golden Medical Discovery" has a specific curative effect upon all mucous surfaces and hence cures catarrh, no matter where located or what stage it may have reached. In Nasal Catarrh it is well to cleanse the passages with Dr. Pierce's Catarrh Remedy first while using the "Discovery" as a constitutional remedy. Why the "Golden Medical Discovery" cures catarrhal diseases, as of the stomach, bowels, bladder and other pelvic organs will be plain to you if you will read a booklet of extracts from the writings of eminent medical authorities, endorsing its ingredients and explaining their curative properties. It is mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y. This booklet gives all the ingredients entering into Dr. Pierce's medicines from which it will be seen that they contain not a drop of alcohol, pure, triple-refined glycerine being used instead. Dr. Pierce's Great Thousand-page Illustrated Common Sense Medical Adviser will be sent free, paper-bound, for 21 one-cent stamps, or cloth-bound for 31 stamps. Address Dr. Pierce as above.

## THE YOUTH'S COMPANION CALENDAR FOR 1908.

The publishers of The Youth's Companion will, as always at this season, present to every subscriber whose subscription (\$1.75) is paid for 1908 a beautiful calendar for the 'new year. Four paintings by artists of distinction are reproduced in the four panels of the Calendar by a process of color-painting which has been recently brought to remarkable excellence. The first of the panels is an inspiring sea scene, full of the beauty of the wide ocean and sky, and the joyous rush of the homeward-bound ship. The second is a fine cattle piece. The third picture an old mill at Zaandam—typical Dutch in treatment. The fourth panel depicts a "Girl with Roses"—a charming face, exquisite in color and expression. All the pictures are worthy of preservation long after 1908 has passed into the good old time.

## HIGHLAND RAILROAD.

That the Kentucky Highland Railroad will be built on to Versailles there is now not the least doubt. When the road was first started many said that it would only reach as far as the distilleries located on Glenn's Creek. All indications now go to prove that they were mistaken in this supposition, and that the line will be constructed as speedily as possible to Versailles.

At present the road has been graded to a point beyond the Old Taylor distillery, and work is being pushed to the limit by the contractors, who hope to have many more miles of the line graded before they are compelled to cease operations by the advent of hard, wintry weather. Track laying has already progressed over a mile or more from the Frankfort end, and before Christmas cars will doubtless be in operation between this point and the Old Crow and Old Taylor distilleries.

No improvement that has come, with the rush of prosperity that centered at the Capital City since the permanent location of the seat of government in Frankfort, and the building of the new Capitol, will prove of more importance than the building of the Kentucky Highland. It is fraught with great possibilities for, and will have a dominating effect on, the future of this city. The transportation facilities of Frankfort will be benefited to a large extent, as it will place us in touch with the Southern and Louisville and Atlantic at Versailles, and otherwise help the home town in many ways.

## [Memphis Commercial Appeal.] IN KENTUCKY.

The election results in Kentucky are really not very surprising when we recall the recent history of the State. The true and tried leaders of the party have been gradually eliminated, and the small fry have taken the top. There was bound to be a change of this sort of thing at some time, and the end is in sight.

Kentucky is normally a Democratic State. With the late Governor, the late Com. and the late side-tracked, Democratic tendency was continued. Goebel became a martyr, and a certain set of small fry politicians have been thriving on that martyrdom ever since. Had Goebel not been murdered, he would long ago have been relegated to private life with the disapproval of the people of Kentucky.

Goebel was able, unamiable and entirely unscrupulous. He canvassed the State of Kentucky for Governor, with the result that he had only a trifling over 100 votes in a convention of over 1,000 delegates. Hardin and Stone together had eight or nine votes to Goebel's one. Yet by deceiving and betraying Stone, getting control of the organization and nervously unseating several hundred delegates, Goebel managed to secure the Democratic nomination. It was the most artistic piece of highway robbery ever perpetrated against the Democracy of Kentucky.

In the election that ensued Goebel was defeated, and the State election commissioners, who were Democratic, issued a certificate of election to the Republican candidate, Taylor. But Goebel, who was still a State Senator, held on to his purpose and got up a contest before the Legislature in order to pluck the governorship as he had plucked the Democratic nomination. In short, he was planning a cold steal. It is hardly necessary to say that both parties lost their heads, and in the midst of the general excitement some fool Republican shot Goebel.

It was only natural that this murder should react against the Republican party and make people forget the political sins of William Goebel.

But the small fry collected around Goebel have been living on his murder ever since. They have let the real murderer—Henry Youtsey—go in a measure, and have concentrated their efforts to bring about the hanging of Caleb Powers, who wasn't in Frankfort when Goebel was killed and who had been connected with the murder only by transparent perjuries. The Powers case has been a greater stain on Kentucky than the Dreyfus case was on France, but France had the courage to correct her mistake.

Kentucky, however, has evidently grown tired of a steady diet of Goebel. The Democrats have made so many tactical mistakes in perpetuating the memory of that dastardly crime that the people have elected a Republican Governor. It is likely that Gov. Willson will pardon Powers and right what seems to be a great wrong. We trust he will do this not only in the interest of justice, but in the interest of the people of Kentucky. It is time to put the Goebel case to sleep and resume normal ways.

Kentucky can not afford to live upon a memory.

## BUCKET SHOP IN FRANKFORT.

The suit of Heise against Tucker, which was filed in the Circuit Court a few days since, would seem to disclose the fact that a brokerage business has been in operation in Frankfort for several months. Heise claims that he entrusted the sum of \$250 to Mr. Tucker, the proprietor of the St. Clair street pool and billiard parlor, for the purpose of purchasing wheat margins, and that the defendant failed and refused to make a proper accounting to the plaintiff in regard to his investment.

The case promises to prove quite an interesting one when it is called, and the best legal talent in the Capital is employed on either side of the controversy. Scott & Hamilton, and Guy Briggs will appear for the plaintiff, while the interest of the defendant will be looked after by Judge B. G. Williams.

## HENRY COUNTY MAN DIES SUNDAY.

Frank Morris, of New Castle, Henry county, died suddenly at the Petty boarding house, near the L. & N. depot, Sunday night. The dead man had been on a spree, and it is more than likely that his death was brought about, in large measure, by alcoholism. His family and friends were communicated with, in Henry county, but as they made no request that the body be held, the remains were buried at the expense of the city and the county.

## Excess

Of Smoking Affected My Heart So I Had To Sit Up To Breathe. Dr. Miles' Heart Cure Cured Me.

There is nothing that has a more deleterious effect upon the cardiac or heart nerves than the excessive use of tobacco. Pain and tenderness around the heart, an oppressive feeling in the chest, choking sensation in the throat, discomfort from sleeping on the left side and smothering spells at night when the sufferer has to sit up in bed to breathe are the most common symptoms of a weak heart. Seekers who feel these symptoms and who do not understand their meaning should be warned in time, by the following experience: "I was greatly troubled with an affection of the heart, due I think to excessive smoking. On writing to you for advice I was directed to begin a course of treatment, which included Dr. Miles' Heart Cure, Dr. Miles' Nerve and Nerve and Liver Pills, together with bathing, etc. I faithfully followed the directions given and am pleased to say that my cure is complete and permanent. Before beginning the use of your remedies I was so nervous I could not keep my hands still and suffered greatly from severe pains around the heart. Many times at night I would be forced to assume a sitting posture to get my breath, and for the time being it would seem as though my heart had stopped beating. From the splendid results achieved in my case I can cheerfully recommend Dr. Miles' Heart Cure, Restorative Nerve and Nerve and Liver Pills, together with bathing, etc. All druggists sell and guarantee first bottles Dr. Miles' Remedies. Send for free book on Nervous and Heart Diseases. Address Dr. Miles Medical Co., Elkhart, Ind."

In most cases 'tis the kidneys.  
Doan's Kidney Pills are for the kidneys.

Mrs. Elizabeth Johnson, of 240 Blanton street, Frankfort, Ky., says: "My son was greatly benefited by the use of Doan's Kidney Pills. Some time ago, he had a bad spell of rheumatism, and the attack was so severe that he was hardly able to move about. From that time on his kidneys seemed to be badly affected, for he complained a great deal of a steady dull aching across the back and sharp pains in his kidneys if he stooped to lift anything. A weakness of the kidney secretions was very annoying, especially at night, as it disturbed his rest. While looking over the papers one evening, I came across an advertisement about Doan's Kidney Pills, the claims made for this remedy so impressed me that I decided to have my son give them a trial. A box was procured at J. W. Gayle's drug store. At my request, he began taking them, and to my glad surprise, as well as his own, he noticed almost immediate relief. In a short time the backache had entirely left him, the difficulty with the secretions had been corrected, and he felt as well as ever again."

FRANKFORT, KY

(Communicated.)

### THE FRANKFORT POLICE.

The metropolitan police force of Frankfort seems to have a reputation and a name. Whether this is due to the body as a whole or is the conspicuous reflex of individual acts by certain members, the line of reputation and fame seems to be a progressive one.

One member of the force kills the son of an estimable citizen "in the discharge of duty." Another member, in police uniform, sat as an officer of registration and under its overpowering insignia catechized voters as to their elective rights. Later he backs up a bully who is attempting to tear down the curtain from the election booth. Later, still, he strikes a citizen in the face in a bar room because the latter had declared he had voted the Republican ticket. No arrests, of course, and no apologies.

It has been held by the courts and all authorities on civil government that the highest duty of the guardians of the law is to protect the lives and liberty and the property of the citizen. If that be true, where, oh! where would the Frankfort Police find a rest for their weary feet, and a name that some member would not tarnish?

Mr. James McDonald (more familiarly known as "Long Jim"), was found dead sitting in his buggy, on Thursday morning, near the residence of Mr. Harry Shaw, on the Versailles pike.

### OPEN SEASON FOR GAME.

The close season for game expired on yesterday, and the country surrounding Frankfort was pretty well sprinkled with hunters from this city, who had gone out in search of quail and rabbits. Several nice bags of birds were brought in late in the afternoon, and the local sportsmen declare that quail are more plentiful than usual in this section this season.

### FISH AND GAME STORE.

Mr. Leonard has opened up a fish and game store opposite the Capital Hotel, on Main street. This description of a business house is quite new to Frankfort, but such a convenience is needed here, and the enterprise will no doubt prove a successful one.

You can't be well if you have a weak, unhealthy, tired out stomach. Neither can you feel good if by some cause the stomach is getting out of order. These Little stomach troubles are signs of indigestion, which may and very often do turn into a very bad case of dyspepsia. Don't allow this to go on a single day without doing something to overcome it. Take some good reliable and safe digestant like Kodol for dyspepsia. Kodol is the best remedy known today for heart burn, belching and all troubles arising from a disordered digestion. It is pleasant to take and affords relief promptly. Sold by South & Co.
